

Harbor Division Manager
Salary Range: \$101,292 - \$135,660 annually
Plus An Excellent Benefits Package

The City of Oceanside is accepting applications for the exciting career opportunity of Harbor Division Manager. There is currently one vacancy in the Public Works Department - Harbor Division.

The Harbor Division Manager plans, organizes, prioritizes, assigns, manages, and reviews the work of staff responsible for harbor operations, maintenance and administration; manages Harbor District properties and leases; reviews project progress and prepares status reports for the Public Works Director; develops recommendations for solutions to administrative issues; develops long range plans and programs; reviews, analyzes, develops and implements strategies regarding Federal, State, and local legislation; prepares extensive analytical studies, projects and staff reports; makes presentations to City Council, community groups and other governmental officials; performs related duties and responsibilities as required.

Qualified applicants must possess five years of progressively responsible experience with a minimum of three years at the supervisory level, in the public and/or private sector that demonstrates the ability to successfully perform the duties of a Harbor Division Manager and a Bachelor's degree from an accredited college or university in Public Administration, Business Administration or a closely related field.

Possession of a Marina Manager Certification is highly desirable.

Application Deadline: November 11, 2022
