

San Mateo County Harbor District
El Granada, California

General Manager

Annual salary range: Negotiable

A generous benefits package is included.

Application deadline: Open until filled.

First review of resumes: **Monday, July 15, 2019.**

The San Mateo County Harbor District seeks an experienced, flexible, cooperative, inspiring, and customer-focused person to serve as its next General Manager. The District has two locations at both coastal and bayside harbors: Pillar Point Harbor (El Granada, CA) and Oyster Point Harbor (South San Francisco, CA). The General Manager is appointed by an elected Board of Commissioners to lead the organization, motivate and inspire staff, program and deliver capital projects, and ensure harbor users have an exceptional experience at District-owned facilities.

The next General Manager will have excellent “soft” management skills. A background from a harbor, marina, community services district, parks and recreation system, or hospitality management would be preferable. This background will be supplemented by solid business best practices, such as emphasizing fair and open competition for all sizes of procurements. A seasoned negotiator, the General Manager will bring an aptitude for achieving the strategic objectives of the District through persuasion and diplomacy. The successful candidate will be able to close out projects, cut through red tape, and move contracts or permits forward to completion. A strong budget acumen, clear communication skills, and the ability to seek out and obtain additional funding for major projects is critical. Experience working in harbors or marinas is helpful, but not required.

To view additional qualifications and submit your resume, cover letter, and a list of six work-related references (two supervisors, two direct reports and two colleagues) please visit our website: <https://secure.cpsr.us/escandidate/JobDetail?ID=460>
