REQUEST FOR BIDS

Exterior Siding Repair Project

Respond by: April 13, 2022

NOTICE IS HEREBY GIVEN that sealed bids will be received at the Crescent City Harbor District ("District") located at 101 Citizens Dock Rd, Crescent City, California until 2:00 p.m. local time on April 13, 2022 for furnishing all labor, material, tax, transportation, equipment, and services necessary for the following bid project:

Exterior Siding Repair Project

Bids will be opened and tabulated by or on behalf of the Harbormaster immediately after 2:05 p.m. on April 13, 2022.

Description of Work:

Demolish and remove the existing exterior siding and install new exterior siding as needed for facility located at 121 Starfish Way, Crescent City.

Required Elements:

- 1) Remove all deteriorated siding and/or trim. Remove vapor barrier beneath the exterior surface, as applicable, if compromised.
- 2) Advise if any additional structural work is necessary/recommended.
- 3) Install new backing as needed, replace vapor barrier as needed and install new siding and/or trim – along with necessary flashing – to insure property reconstruction of building envelope.
- 4) All new siding, trim and flashing should match existing that was removed.
- 5) All new wood material will be primed on six sides prior to installation.
- 6) All necessary caulking will be included, and work will be left in "paint ready" condition.
- 7) All construction equipment, construction debris and similar will be removed from site daily - or properly safeguarded during non-business hours.
